PROFESSIONAL EXPERIENCE

Founder & Creator Operations Lead — **GG Loop LLC** **Jan 2024 – Present** | *Dallas-Fort Worth, TX (Remote)*

- **Creator & Community Growth:** Spearheaded digital gaming tournaments, creator activations, and influencer partnerships; grew community engagement through interactive gaming events and telemetry-driven leaderboards.
- **Viral Short-Form Production:** Authored, edited, and distributed high-production short-form video campaigns on TikTok (**@jaysonbq**), achieving over **300,000+ viral transition views** with industry-leading retention rates and community shares.
- **Brand Partnership & Seeding Programs:** Formulated and dispatched official creator ambassador proposals to global athletic and gaming footwear brands (ANTA Sports, Way of Wade, Serious Player Only), securing direct executive review.
- **Livestream Broadcast Staging:** Directed multi-source live-broadcast setups using OBS Studio, multi-channel audio mixing, and customized real-time stream overlays for gaming competitions and creator collaborations.
- **Telemetry & Workflow Automation:** Engineered automated tracking pipelines using Python scripts and cloud webhooks to monitor creator campaign performance, conversion attribution, and community metrics.

Digital Media Producer & Live Audio Engineer — **Independent Practice** **2022 – Present** | *Dallas-Fort Worth, TX*

- **Audiovisual Content Architecture:** Produced dynamic, beat-synchronized video assets optimized for TikTok, Instagram Reels, and YouTube Shorts, capitalizing on viral audio and visual pacing.
- **Live Production Engineering:** Managed live sound reinforcement and staging for events of 300–500+ attendees using Bose F1 Model 812 arrays and digital DJ performance controllers, executing precise timing and entrance cues.
- **Cross-Functional Collaboration:** Partnered closely with digital influencers, content creators, and venue operators to execute multi-channel promotional campaigns with zero logistical latency.

Systems & Operations Specialist — **Enterprise & Community Infrastructure** **2023 – Present** | *DFW, TX*

- **Task & Project Management:** Leveraged JIRA, Confluence, and Basecamp to track deliverables, milestones, and asset releases across remote engineering and media pipelines.
- **Quality Assurance & Testing:** Executed end-to-end user-flow audits, API verification, and multi-platform testing across desktop, mobile, and console gaming environments.

🎮 Gaming Authority & Tenno Standing

Warframe: Mastery Rank 23 (MR 23) Active Tenno

Comprehensive mastery of Warframe live-service loops: Steel Path, Arbitrations, Eidolon Hunting, Prime Resurgence economy, and weapon modding synergies. Active follower of TennoCon and Devstream releases; deeply tuned to community sentiment for upcoming *Soulframe* launch.

🎓 Education & Academic Standing

Associate of Arts (AA) — Tarrant County College

- **Academic Standing:** Cumulative 3.0+ GPA (73 Completed Credits)
- **Upcoming Transfer:** University of Texas at Arlington (UTA Spring 2027) — Priority Application Fee Waiver & Transfer Merit Track Preserved.
